Studio Policy

2018-2019

Lesson schedule and yearly total

1. Students sign up for weekly lessons for the academic year for a set tuition fee (see below for fees).
2. The teacher makes him- or herself available for every week at the agreed upon day and time, with the exceptions of the holidays listed in the school calendar. In the case that extra lessons are desired, they will be billed separately.
3. The teacher will generally follow the Wright Piano School calendar (available at www.wrightpianoschool.com), but may diverge while maintaining the same total number of weeks. Due to variations in school holidays between Dutch, American, British, International and French schools, holidays for piano lessons are not guaranteed to align with school holidays.
4. For students beginning during the academic year, the fee will be prorated based on the weeks remaining.

Absences, cancellations and rescheduling

5. Requested by the teacher
 - a. Absences by the teacher will **always** be made up.
 - b. Should teacher absences exceed two weeks, a refund will be given or a substitute teacher will be found.
6. Requested by the student
 - a. **One-time rescheduling of lessons is generally not possible** (due to the complicated nature of the teacher's schedule, and to the unmarketable gap left in the teacher's schedule). A one-time exchange of lesson times for students with the same teacher is possible when it is arranged between the two families, and with the approval of the teacher.

- b. Long-term absence (more than two weeks) caused by sickness or other unavoidable reason will be refunded. Please let us know if there is a situation we should know about.

Billing

7. Tuition fees are calculated yearly.
8. Payment can be up-front for the whole year or in monthly instalments. In the case of monthly instalments, the payments will be deducted by direct debit after authorization through an iDeal checkout process.
9. Invoices are set up at the beginning of the year and go out automatically every month. Payment is possible by iDeal, direct debit, or bank transfer. In the case of bank transfer, please be sure to include the correct identifying information provided on the invoice. Also, please note that all payments from Sept. 2018 onwards will go through Mollie. The bank account number is to be found through the payment link on the invoice.
10. Adults over the age of 21 must add 21% BTW to the lesson fees.

Termination of lessons

11. Lessons can be ended at any time at the end of the calendar month. Students are requested to end lessons by email. To prevent misunderstandings, in-person requests to end lessons will not be accepted.

Student recitals and other activities

12. Participation in student recitals is included in the tuition fee and is encouraged for all students, with the approval of the teacher.
13. Participation in in-school exams is included in the tuition fee for students, with the approval of the teacher.
14. Guest masterclasses are open for participation for all students, but usually require an extra fee that will be billed separately.
